Game Day - October 17, 2003
Saint Stanislaus *vs* Bay High

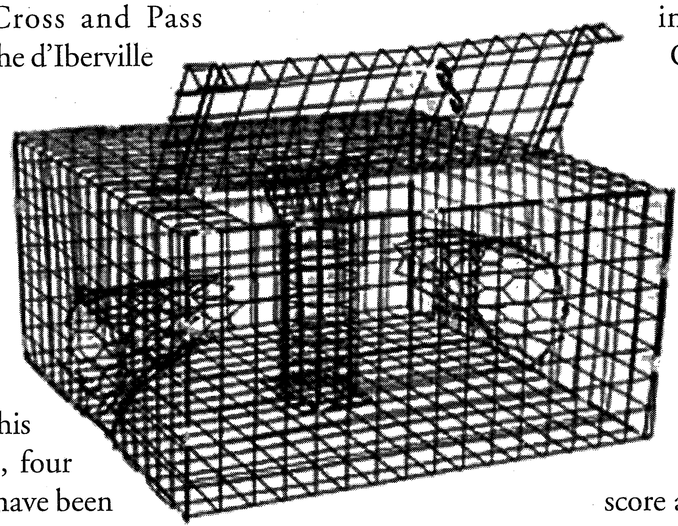
The Bay High Tigers

2003 was supposed to be a rebuilding year for the Bay High football program, following last year's disastrous 0-10 season. If so, Coach Glenn Williams and his Tigers have taken the challenge to rebuild very seriously, surprising foes across the coast with a high-scoring offense. The Tigers have lost only twice this season, to Pearl River Central and Gautier. They defeated Saint John and Stone County by narrow three point margins, but claimed overwhelming victories against Mercy Cross and Pass Christian while shutting out the d'Iberville Warriors 30-0 in last week's contest.

Senior quarterback Zack Ferry (#10) has found a receiver in junior wide receiver Lorenzo Lewis (#20), a former Rockachaw. Ferry has completed seventeen touchdown passes this season. Nine of those passes, four of them of 60 yards of more, have been caught by Lorenzo Lewis. The junior standout has also scored touchdowns on a fumble return and an interception return as well as several two point conversions.

Sophomore Kyle Moran (#5) may give Tiger fans something to cheer about for the next two years. Although listed as a running back on the Bay High roster, Moran also takes care of the team's kicking responsibilities. As such, he has booted five field goals this season, from distances ranging from 21 to 37 yards. Scoring any way he can, the sophomore is responsible for 16 successful PAT's as well as three rushing touchdowns and one interception returned for a score.

Look for Zack Ferry to continue his aerial offense against the Rockachaws. But don't be caught off-guard: the Tiger quarterback broke away for a 73 yard rushing touchdown in last week's game.



The crab trap trophy is awarded each year to the winner of the Saint Stanislaus - Bay High varsity football game.

The Saint Stanislaus Rockachaws

The Rocks return to the Brother Philip Athletic Complex for homecoming following a tough and waterlogged defeat in overtime at the hands of the Pass Christian Pirates.

A steady rain drenched players, coaches, and spectators as well as the Rockachaws and Pirates battled without score throughout the first half.

SSC junior Jordan Ellis (#5) blocked a Pirate punt early in the third quarter which Pass Christian recovered in their own end zone to put two points on the board for the Rocks.

Early in the fourth quarter, Pass Christian went ahead on a six yard touchdown run by Anthony Henderson. Jonathan Willis' kick was good and the Pirates took a 7-2 lead. Later in the quarter, Willis completed a 26-yard field goal, leaving the score at 10-2.

The Rockachaw offense rallied late in the fourth quarter, scoring a touchdown on Tim Kulikowski's (#7) 10 yard pass to junior Stefan Sofianos (#22) for six. A two point conversion play by senior Brock Kelly (#1) was successful, and, with just over two minutes remaining, the game was tied at ten.

Given first possession in overtime, the Rocks were unable to score. The Pirates took two downs before Jared Bowser scored on a five yard run, given the Pirates six points and the overtime victory.

Sophomore J C Brignone (#70) led the Rockachaw defense with ten tackles. Junior Lee Klein (#44) had 9 and junior Jordan Ellis made tackles and a blocked punt leading to a safety. On offense, senior Matt Hoda (#40) had twelve carries for 446 yards rushing.

Heading into tonight's contest, the Rockachaws are 3-4 overall and 2-1 in Division 8-4A. There should be plenty of fireworks on the field as these crosstown rival teams clash. But even if the game is dull, stay put for the Homecoming Fireworks Display after the game.

Saint Stanislaus College Celebrates 80 Years of Homecoming

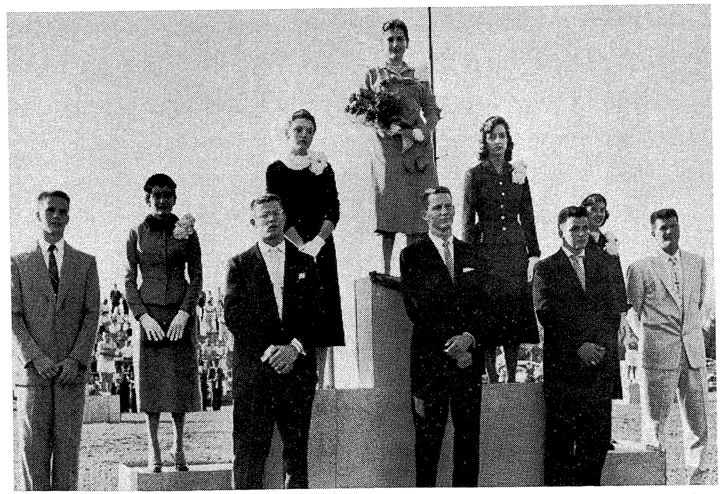
This weekend marks the 80th Saint Stanislaus College Homecoming festivities. The traditions of SSC's Homecoming have evolved through the years, beginning when Sunday afternoon games were the rule and the easiest way in and out of Bay Saint Louis was by train. Recall with us this evening a few of the many Homecoming memories that have carried the school through the past eight decades.

The Beginning

On Sunday, November 23, 1924, Saint Stanislaus sponsored a "Dad's and Homecoming Day." The event was designed to welcome the school's alumni, as well as the fathers of students enrolled, to the campus for a day of festivities, culminating in a football game between the Rockachaws and Jefferson College. The Sea Coast Echo reported on the event the following week:

The visitors were also treated to a barbecue lunch and the afternoon's game, which the Rockachaws won 12-0.

> Sunday, November 23, is a day which will long be remembered by all who were present, for I'm sure that all had a wonderful time. Sunday morning at about 10 o'clock a special train pulled in with about 400 aboard. As the train pulled in, fifteen Rahs were given for Dads and old students. Then the crowd jumped on cars which were to take them to the college. After arriving at the college everyone had to register, and then they could go and see different places at the college. At about eleven all the cars were in the yard and ready to take the visitors out for a ride so they could see the town of Bay St. Louis.
>
> *Sea Coast Echo, Nov 29, 1924*



The 1956 Homecoming Court is presented at halftime. Members of the court were Fonald Youngs, Julie Blanchard, Edward Hargrove, Jo Ann Crasto, Marie Mallin, Queen, Stephen Schmedtje, Helen Genin, Morgan LeBlanc, Lynette Kergosien, and William Gowland.

Snow White

The Fifteenth SSC Homecoming was celebrated on Sunday, October 16, 1938. It was the era of Brother Peter Basso as college president and the 3-0 Rockachaws were preparing to play the Saint Aloysius Crimson Crusaders out of New Orleans. Felix Blanchard, a 159 pound freshman, was the backup quarterback. On the way to an undefeated season, the Rocks defeated the Crusaders 45-0.

There was as yet no queen or court associated with the SSC Homecoming, although Miss Mary Beth Barksdale would reign a month later as Queen of the Harvest Ball. But what is Homecoming without a halftime show? And what is a halftime show without dwarfs?

> Mrs L S Elliot, assisted by Miss Louise Armstrong and Miss Levia Engman, prepared a colorful exhibition for Homecoming last Sunday at Saint Stanislaus Stadium. The performance took place during the half of the Rockachaw-Crusader game.
>
> Seven of the smallest students of Saint Stanislaus were chosen to take the place of the seven dwarfs, and Miss Mary Ryan, of the local convent, acted as "Snow White." There were also color bearers - girls taken from Saint Joseph's Academy.
>
> When the Saint Stanislaus Band went to do its usual marching and playing in the field, the "seven dwarfs," led by "Snow White," went at the head of the parade, while the color bearers marched along with the band.
>
> As the dwarfs and Snow White appeared in front of the Aloysius and Stanislaus stands each dwarf had a letter painted on a cardboard and, in the order in which they were lined, the seven letters spelled "Welcome." The dwarfs, dressed in true Disney style, furnished a pleasing and comical sight.
>
> Those who played the parts of the little dwarfs were: Malcolm Vinot as "Doc," Karl Fasold as "Dopey," Joe Reuther and "Sneezy," Ray Daunis as "Bashful," L J Taconi as "Happy," John Ryan as "Grumpy," and Rodney Ranson as "Sleepy."
>

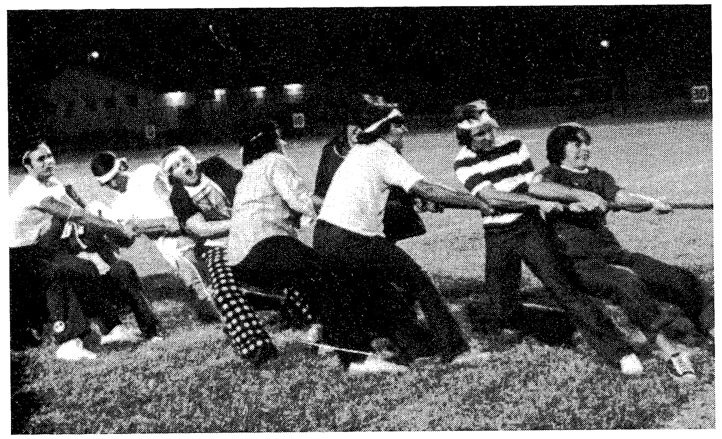
Royalty and Greased Pigs

By 1956, the SSC Homecoming had taken on more of the familiar trappings which mark this high school tradition, including a Queen and Court, who were conveyed to the game in open convertibles. The`game was played on a Satruday afternoon and the Homecoming Dance was held that night. Miss Marie Mallini was the 1956 Homecoming Queen.

In 1963, the entire Homecoming weekend was filled with activities, not the least of which was a football game:

> As in the past, the Sidelines Club will sponsor all activities –the bonfire and pep rally Friday night, the football game Saturday, and the Homecoming Dance Sunday night.
>
> The band will be on hand; there will be a greased pig-chasing contest, in which $5 will be awarded to whomever catches the pig.
>
> Other events planned include three relay races, the "Miss Horsepitality Contest," the greased pole climbing contest, and the big bonfire.
>
> Saturday evening there will be the Homecoming parade for the queen and her court from the campus to the stadium. The game will follow at 8:00 PM.
>
> Sunday night, October 27, from 7 to 11, Art Neville and his famous Hawkettes will complete the activities by playing for the Homecoming Dance. Admission to the dance is $2 per couple, or $2.25 stag.
>
> *Rock-a-Chaw, Oct 22, 1963*



The tug-of-war contest, shown here in 1973, remained a popular event at the Homecoming pep rally for many years.

Tug of War and Sleazy Ann

Many icons fell in the 60's and 70's, but Homecoming remained as popular as ever. A reflection of SSC's interstate connections, the 1973 Homecoming Queen, Miss Debbie Martinez, was a student of Beauregard High School in Violet, Louisiana. Homecoming the 1970's reflected another societal change: for the first time, African American girls were chosen as part of the Homecoming Court. The Thursday evening pep rally remained a popular part of homecoming, complete with games of tug-of-war between the classes, a "beauty" contest, and a three-legged race. The 1973 Homecoming Dance was held in the Mall; live entertainment was provided by Sleazy Ann.

Today

Although sixty-five years have passed since the Seven Dwarfs welcomed visitors to SSC's Homecoming festivities, Homecoming remains a time to welcome, remember and celebrate the memories of the past as well as the promise of the future.

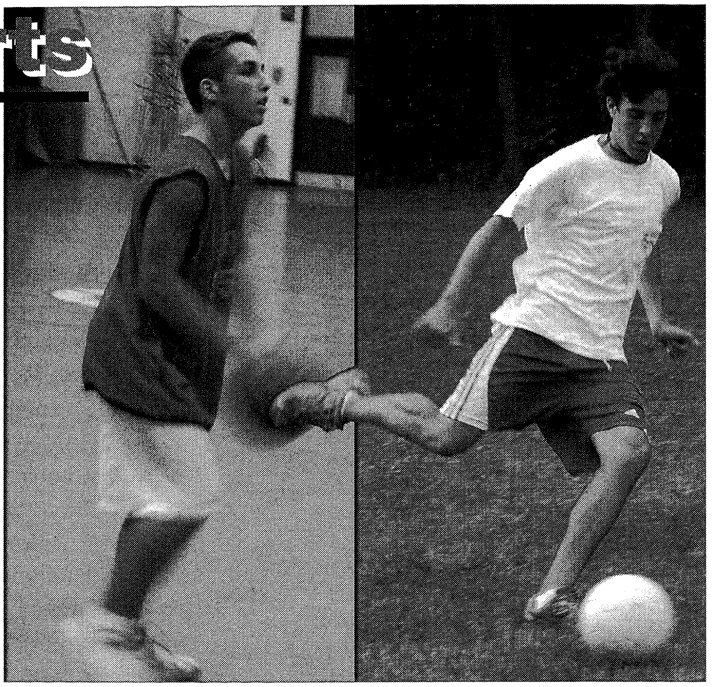
Rockachaw Sports



Senior Zack Delaney, left, and junior Eric Cranford, right, are hoping to continue winning traditions in Rockachaw basketball and soccer.

Lewis Leads the Pack
Kyle Lewis has been a standout on the Rockachaw cross country team since seventh grade. Six years later, the lanky senior finds himself leading not only the Rocks, but just about everyone else as well. With first place individual finishes in four of the five meets he's run in this year, Kyle is in contention for state championship honors this year.

The next competition for the Rockachaw cross country teams will be tomorrow as SSC hosts, along with OLA, the annual Invitational Meet at Buccaneer State Park in Waveland. The meet annually attracts teams from Mississippi and Louisiana to compete along the shore of the Gulf of Mexico in one of Hancock County's most beautiful natural settings. Junior high competition begins at 9 AM. This year, a 5K open Fun Run is scheduled to precede the interscholastic competition with an 8 AM start. Registration for the Fun Run is just $10 and begins at 7 AM. Awards will be given in five age categories.

Swim Team Prepares for State
SSC's swimmers took fifth place overall at the Biloxi Invitational Swim Meet on October 4 and placed higher than all other Mississippi 4A teams in the competition. The Rocks have a triangle meet scheduled against d'Iberville and Harrison Central next Tuesday at the Biloxi Natatorium. Afterwards, the Aqua Rocks head to Laurel for South State on October 25 and then on to Cleveland for the State Championship Meet on November 1.

Basketball and Soccer Teams Prepared to Win Again
Coaches Jay Ladner and Andy Kivlan know their games, and they know how to teach the eager young minds which have come to SSC to learn the arts of basketball and soccer from these master coaches.

Both coaches are hoping to build on the successes of recent years as they continue to develop the character and athletic skills of the young men in their care.

The members of the Rockachaw basketball team are no strangers to success. Going into the State Championship Tournament last year as South State Runners Up, the Rockachaws knocked the Oxford Chargers out of the competition before falling to Jackson Lanier, the eventual State Champs, in the semifinal game.

Several of this Fall's potential starters saw action at the state level last Spring. Returning to play for the varsity Rocks are seniors Darius Acker, Zack Delaney, Mario Faranda, Philman Ladner, Rob Murray, Greg Rice, and Grady Wyly. Senior Robert Ray Smith, who sat out last season with an injury, is expected to be back on the courts this year. Tony Silva, a senior from New Orleans, is new to the team this year. Basketball season begins Saturday, November 8.

The soccer team, too, knows how much hard work went into winning their 2003 State Championship title.

Returning lettermen who saw significant time on the field last season include junior midfielders Patrick Donohoe, Kody Cannon, and Eric Cranford as well as seniors Michael Kivlan and Corey Vollenweider. Senior Brock Kelly joins the team at midfield this year. The Rock defenders also claim lots of experience, starting with senior fixtures Beau Brodtmann and Josh Lingsch and including juniors Heath Hansell, Devin Caboni-Quinn, and Austin Ladner. Returning forwards include senior Jake Johnson and Marc Belizaire along with juniors Austin Boudreaux, Wynne Taylor and Jeffrey Yeager.

Look also for returning sophomores Brennan Marlowe at midfield and Matthew Milner in the defender's role. New talent also includes several key players from last year's 10-2-2 junior high squad.

Goalkeepers for the Rockachaws include senior Sean Olsen, who started much of his sophomore year and played a key role in the goal during this Spring's playoffs. Backing up Sean will be junior Devin Caboni-Quinn and freshman John Hadden, who was keeper for last year's junior high team. Soccer season starts on Friday, November 14.
